

# Call Numbers

---

Books in Halle Library's Browsing Collection are arranged by Library of Congress (LC) call numbers. The call number is taped to the lower outside edge of the book's spine.

The **first line** contains letters and is read alphabetically.

PN

The **second line** always is a number and is read as if you were counting.

1991.4

.S82

1995

The **third line** contains both letters and numbers. They are read alphabetically first and then in decimal numeric order. For example: .A6, .A64, .A7, .B641, etc.

The **fourth line** is the year the item was published.
