### University Archives

**General Information**
The University Archives houses a special non-circulating collection of materials, created by Eastern Michigan University administration, faculty, students and alumni, which serves as a memory bank for the history of the University. These records—official and non-official—consist of bulletins, catalogs, minutes, reports, correspondence, programs, photographs and special publications.

**Hours and Location**
The University Archives is open Monday through Friday, 7:30 a.m. to 4 p.m., and is located in Room 310 on the third level of the Halle Library building.

**Help**
If you have any questions about the University Archives’ collection or services, call 734.487.0020, x2301 or x2300.

**Frequently Requested Items**
Some of the materials in the Archives are heavily used. In order to preserve these items, we have duplicated them and placed them in the main collection. These materials are available any time the Library is open. Please check WebVoyager (http://portal.emich.edu), our online catalog, for exact locations and holdings.
