Econ 202, Spring 2010

WHAT DID YOU **LIKE MOST** ABOUT THIS INSTRUCTOR AND COURSE?

- He was organized
- His ability to break down the material to a point that everyone clearly understands it.
- His use of simple terms to explain complex concepts.
- I actually liked that he gave short quizzes before each class, because it helped me stay on top of the course.
- I like how there were plenty of opportunities for extra credit and dropping 2 lowest quiz scores. It’s a nice comfort built in.
- Very good graphical explanation.
- I liked how he put practice test online.
- Organization
- I mostly like the instructor and his passion for the course. I’ve love the many details he had to share.
- Dr. Yaya is fair and impartial. He has an effective style of presentation and is very helpful when asked a question.
- He explained the material well during lecture.
- He presents material very clearly.
- Clearly Understandable.
- Good sense of humor.
- I don’t like econ at all but I enjoyed the lectures, interesting, always kept my attention.
- Great Instructor! Very nice guy!
- The instructor knows a lot about the material and explains it well.
- He is very helpful.
- Visual instructor.

WHAT DID YOU **DISLIKE MOST** ABOUT THIS INSTRUCTOR AND COURSE?

- Not enough assignments.
- Its economics and I am no Econ master. The instructor has done an admirable job with a dull course.
- I disliked how there was rarely any extra credit opportunities and there was no curve on the tests. I studied for hours and then tests were extremely hard.
- No significant complaints.
- The daily quizzes.
- Teacher personality.
- I just didn’t like the course at all.
- Maybe more than a 5 minute break would be nice.
- Some of the quiz and exam questions were confusing and not clearly stated.
- Tough to understand accent.
I wish we would have had a few homework assignments.
Hard to Understand.
Quiz sometime started before class.

WHAT CONSTRUCTIVE SUGGESTIONS DO YOU HAVE FOR THIS INSTRUCTOR OR COURSE?

- Wording questions better. It was as if there were more than 1 answer for questions that were right.
- Keep up the good work!
- Offer more extra credit or curve the exams so it doesn’t discourage students.
- This should be taken before macro.
- Just that he increase the break time, as we never use the full class time.
- More exam quiz questions clearer.
- Perhaps offer more extra credit or give homework.
- Keep up the good work!
